

MUSIC

Call for music for Convention

As at last year's Convention, we are hoping to feature recordings of DioCal choirs during the liturgies and breaks. If you have a recording to share—video preferred, but audio accepted—of a hymn, anthem, or other piece of sacred music, please submit it no later than September 25. We particularly invite music themed around Racial Reconciliation, Creation Care, and Evangelism, but all submissions are welcome. (No more than two per congregation, please.)

Upload your recordings [here](#) and please put your congregation's name and city in the file name so we know who is performing.

If you have any questions contact [Matthew Burt](#).
